

# Call for Assistance Kits

## CFA Series

The Edwards 6538-G5 24 volt Call For Assistance Kit is designed for areas where a call-for-help or an emergency switch is required. The kit consists of a 6536-G5 horn/strobe for audible and visual notification, a 6537 emergency pull cord station, and a 592 transformer. Each component may also be ordered individually.

### 6536-G5 Horn/Strobe

The 6536-G5 Horn/Strobe is designed for use in a single gang 2" (51mm) x 4" (102mm) box typically located over the door. Each unit contains an audible horn signal which generates an 82 dBA sound pressure level at 10 ft. and a 50 cd strobe. See page 6-12.

### 592 Transformer

The Edwards 592 transformer is used to power the horn/strobe. It is equipped with a grounding wire and is suitable for installation in both plastic and metal boxes. See section 7, page 7-25.

### 6537 Pull Cord Switch

The 6537 pull cord station provides emergency call activation and reset. It has a stainless steel face plate with a DPST switch. See page 6-14.

## Features and Specifications
